Ambivalence

Isn't it a shame? Isn't it a shame feeling bad?
Isn't it a shame? Isn't it a shame that I'm sad?

How am I supposed to, how am I supposed to be?
If you know the answer, if you know the answer
please tell me, please tell me, tell me, please.

Isn't it a crime? Isn't it a crime to be mean?
Isn't it a crime to not be seen?

How am I supposed to, how am I supposed to be?
If you know the answer, if you know the answer please tell me, tell me.

I want to learn, how to live. So if you can please tell me.
I want to be the one to give when you are able to receive.
I want to know, how to reach you so why can't you try to meet me?
I want to know, how to make things better, so if you can please help me!

How am I supposed to, how am I supposed to be as you want me?
If you know the answer, if you know the answer
please tell me, please tell me, tell me, I beg you.

Isn't it a crime, to pull someone down?
Isn't it a crime, to get someone drowned?

How am I supposed to, how am I supposed to behave?
If you know the answer, if you know the answer
please tell me, tell me, tell me!

I don't want to lie, I don't want to die, I don't want to hide,
I want to keep my pride! Look! I am alive, shouldn't I survive?
when I can be full of energy!
